1) The G.O. No. 10656-64/H190-4. dtd. 26-4-45, relating to the formation of an Industrial Suburb to the West of Bangalore has issued. The connected file has been sent to the Confidential Branch for circulation to the Council of Ministers for perusal of His Highness's orders.

2) On this connection the Dewan was pleased to note as follows on 16-2-45 —

'The issue of a press note may be deferred until preliminary notifications for the acquisition of lands has been published.'

3) The press note then prepared is submitted herewith. The Deputy Commr Bangalore District has not yet submitted the declaration statements called for so far back as 20-2-45. He has also been reminded on 25-4-45.

4) In the meanwhile it is seen that unofficial versions relating to the Scheme have appeared in some of the local papers. It is therefore desirable to furnish a correct version of the facts relating to the Scheme.

5) It is therefore for orders, if the press note may now be published, instead of awaiting till after the acquisition notifications are published.

My Dear Mr Narayanaswamy Naidu,

Re Industrial Suburb at Bangalore

You may have noticed that recently several notices regarding the proposed Industrial Suburb for Bangalore have appeared in the press

Though these notices were not sponsored by Government, and though several of them were rather inexact, they have given the scheme wide publicity and have thus created the danger of land-specula- tion and subsequent loss to Government

It appears therefore essential that the notifications for the acquisition of land in this area should be completed immediately and I would be grateful if you could kindly remind the Deputy Commissioner to expedite the matter
